

(a) DS-distill-1.5B OPD Experiments

(b) DS-distill-7B OPD Experiments

Figure 6. Top-K (K=16) Overlap Ratio of the teacher and student models in different OPD experiments. In Figure (a) and (b), the student models are DS-distill-1.5B and DS-distill-7B, respectively. The solid lines refer to OPD experiments with same-origin teachers; the dashed lines refer to OPD experiments with different-origin teachers.
